Selecting Music for a Concert

An important part of becoming a well rounded musician is being able to appropriately select music for a performance. There are many ways to approach the music selection process, with numerous outcomes.

Your assignment is to create a concert program for the April 1, 2015 *Avenger Band* performance. There are numerous resources available to you for the music selection process, we will discuss these in class. Your program must include any personal interest in and/or knowledge of work(s), titles of the selected pieces along with composers, difficulty level of the piece and technical challenges in work(s) in relation to self/performers' skill level, program notes including the context of the performance, and rationale as to why you have chosen each piece. Please refer to the attached *Music Selection Guidelines* to help you with your project.

Your program must be emailed to bcarniaux@egsd.net by Tuesday, December 23 @1:59pm.

Once all of the programs have been reviewed, one will be selected for performance on the April 1st concert.

Have fun and be creative.
